

LAKE CASTLE PRIVATE SCHOOL RULES AND REGULATIONS

1. All test papers must be signed by a parent or guardian and returned the next school day. Your signature serves as verification that you have seen the form — please do not tell the child that you refuse to sign; the school must have confirmation that you are aware of what the student is or is not doing on a daily basis. Non-compliance will result in the teacher calling your home and/or lunchroom being issued.
 2. All Progress Reports and Report Cards must be signed and returned within three school days.
 3. All students must be in class no later than 8:25 A.M. All students arriving after this time must be signed in with the office by their parent. **Four tardies per quarter will result in a detention.**
 4. All pupils must perform their own preparation for class - only with the head of school's permission will parental intervention be condoned.
 5. Parents are to meet with teachers only during the teacher's off period. **Please do not call teachers at home** unless it is at the teacher's request.
 6. Questions in reference to a pupil's academic or disciplinary format must first be directed to the teacher or teachers in question. Do not direct a question to administration without first addressing the child's teacher.
 7. Only emergency calls will be delivered to pupils. Changes in time or venue must be quieted before pupils leave for school. **STUDENTS MAY NOT CALL FROM SCHOOL FOR BOOKS AND ASSIGNMENTS.**
 8. Cell phones may only be brought to school and then turned into the office by students with documentation that they are transferring from one parent's home to another. They are not to be brought to and from school for leisure purposes.
 9. Electronic devices (i.e., cell phones, cameras, iPods and mp3 players) are not to be brought to school. Anyone caught using electronic devices on campus will be subject to suspension.
 10. Immunization records or any other pertinent medical information, educational, psychological or medical evaluation must be submitted before the beginning of the school year, and school must be kept apprised of any new information. **If immunizations records are NOT up to date, the state will not allow any student to return to school.**
 11. Parents must write a note upon the pupil's return to school after an absence. An absence of 3 days or more requires a note from the doctor. Pupils absent from school must call a telephone buddy for the assignments or make other arrangements. Absence from school does not exonerate a pupil from this responsibility. If pink eye, ring worm, or any other contagious disease is suspected, the child must be picked up and treated and must have a doctor's note in order to return. As per Louisiana state policy, students absent for more than 10 days per year may not be promoted.
 12. Students are not to be dismissed prior to their assigned dismissal time. Students may be dismissed early only for doctor's appointments or emergencies. Early dismissals will be recorded as unexcused on students' report cards and permanent transcripts.
 13. Any deviation from the normal routine for dismissal must be made in writing and directed to the teacher's attention. We understand there may be circumstances in which dismissals need to be changed, necessitated by a call to the office, but please try to keep these to a minimum.
 14. Parents are not to bring children to the classroom. Parents are not allowed to go to the classrooms during school hours. Holiday parties and PTA meetings are the only exceptions.
